Vehicle Overview

**1974 AWS SHOPPER.** This is a rare car and one of the last vehicles to be produced in West Berlin. This two owner car is now in California and is in extremely nice condition. Very low mileage and every part is factory original from Tires to paint to interior. This shopper is built on a square metal frame, with plastic coated metal body parts. Has a 2 stroke engine 293 cc and producing 15 hp. 4 speed trans. Not ideal for the freeway, Vehicle is running and driving but would be perfect for that unique collector or coffee fanatic. The total production was only 1400. We are asking \$6,750 or please make us a sensible offer. Visit us on [www.SportsCarLA.com](#) or please call us on 310 330 9909. Thank you
